

## Associate Experts

*Publications as of February 2008*

- Institute Associate Expert DEBRA STEGER has authored a major article on [The Struggle for Legitimacy in the WTO](#) published in May, 2003 in the Canadian Department of Foreign Affairs and International Trade's annual trade policy review collection.
- IIBE&L Associate Expert PROFESSOR RICHARD STEINBERG (UCLA Law School), writing with Stanford University Professor Timothy Josling, published an article in the Journal of International Economic Law titled: [When the Peace Clause Ends: The Vulnerability of EC and US Agricultural Subsidies to WTO Legal Challenge](#). The article explores the implications and ramifications of the expiration of the provision in the Agreement on Agriculture shielding agricultural subsidies from attack under the WTO's Dispute Settlement Understanding.
